

# Don't Start Over. Adapt.

Amphenol Pcd

## Introducing Amphenol Pcd's NEW Cable Adapter Line

Amphenol Pcd now offers a complete range of high performance Cable Adapters. Simply choose the connectors you want along with the cable length you want, and we'll make the adapter on-demand. Virtually any connector can be used, and although we offer a standard cable type, custom cables are always on option. The possibilities are endless.
